Foreword

4627491
He, the annual staff, present with pride the first yearbook of Barnhart School. He enjoyed very much our first experience of making a yearbook, even though it meant some anxiety and responsibility.

He hope that you will enjoy thumbing through its pages now, and we trust that in the future it will truly represent to you the Barnhart School year of 1953 and 1954.

Athletics

Basketball

In a small school like ours everyone that possibly can plays basketball and volleyball, as that is the major extra-curricular activity. This season we have won very few games with any of our teams but we have had a lot of fun playing.

We are proud to say that our coach was awarded a "Good Sportsmanship" medal at Sterling City, which after all is the aim of sports in school. We had an unusual run of troubles with players moving, becoming ineligible, spraining ankles, and catching mumps. Even against such odds we enjoyed the ball season.

Highest scorers on our teams were Raymond Sesom for the boys, Reta Tomlinson for the girls, and Tommy Owens for the peewees. YEA TIGERS!

First Row (l. to r.) Herbie Taylor, James Kessler, Gary Moore, and Charles Roe. Second Row: Coach Williamson, Milton Tomlinson, Tommy Owens, Preston Porter, James Parry, and Brue Edwards. (Don Baker is not shown)
